This article speaks to what life was like for the family after Moses died:

**IN LOVING MEMORY OF REV.
E. W. CHEWNING**

As boys Ernest William Chewning and I grew up near each other, attended the same Sunday school, and at one time were members of the same little country church, Antioch in Wyaconda Association, which has sent forth six of her sons in the last 45 years to preach the Gospel. His father having died when Ernest was ten, the family was left in close financial circumstances, but he and his older brother were able to till the little farm and help the widowed mother rear the rest of the children. By his persistent spirit and strong determination he succeeded in securing a good education, graduating with honor both from La Grange College and the Kansas City Seminary. I will never forget that stormy night in November, 1890, when the revival meeting was in

progress at the little church, Ernest and his brother walked the 2½ miles from their home through the rain, wind and snow to church. The faithful pastor, Rev. J. A. Minter, preached on the 23d Psalm, closing with a heart-stirring appeal for any lost soul to receive the Good Shepherd as his friend. The boy of 11 years stepped boldly out, the tears flowing down his cheeks, and accepted Christ as his personal Saviour. All hearts rejoiced. No one but God knew what the final outcome of that life would be in kingdom work. Ernest was always in his place in Sunday school. In 1896 the Wyaconda Association met at Mt. Salem church. Bro. Chewning and I chanced to be assigned to the same home for the night. I said, "Ernest, let us take a walk." As we strolled out into a big pasture, as we walked along, I told him I believed God was calling him to preach the Gospel, and asked him if he had any impressions that way. He looked me straight in the eyes and said, "Yes, but how did you know it?" I said, "Let us kneel down here and talk it over with the Lord." He poured out his soul in earnest prayer to God, surrendering himself fully to the will of his Master. A while after this as his pastor I took great pleasure in recommending to the church that it license him to preach, which was done. No one who knew Bro. Chewning personally could doubt his great love for the cause of Christ and his one purpose in life to honor Him. With great joy I heard him preach the sermon before the Missouri Baptist General Association at Mexico, Mo., in 1929, on "God's Complete Revelation in Christ" (Heb. 1:1-3). When I congratulated him on the great message he said, "I care not for the praise of men. But do you think I did Him honor?" I have written this brief message about my friend, praying that God will use it to encourage some other boy who may feel the call of God in his soul to give himself fully into the hands of his Master as did Bro. E. W. Chewning.—J. P. Sansom, Canton, Mo.

Noel Keith Owen

Keith, grandson of Anna Lee Chewning Webster, responded to a message I sent him on ancestry.com in 2012. Dad then met with him, and later both Dad and I met with Keith and his wife, Vel. They drove us around Clark County, showing us all the homesites and cemeteries that we could find that pertained to Chewnings, the Morrisises, the Cannons, etc. Keith was raised and lived most of his life in the area, and was considered the local historian. We learned so much from him.

Keith died in 2016.

I received this message from Keith in response to my tree at ancestry.com, 9/5/2012:

WISH I COULD OF VISITED WITH YOU @ THAT TIME, I HUNTED YEARS AGO ALL OVER THE PLACES YOU MENTIONED MY PARENTS BOUGHT A FARM WHERE MOSES AND ELIZABETH LIVED WITH THEIR CHILDREN WEST OF ANTIOCH. I responded to him:

Keith, thank you so much for getting back to me! Theodore Chewning was my great grandfather. His daughter, Letha Florence Chewning Downes, was my grandmother.

My dad, Herville Finley Downes, and I were in Clark County a few weeks ago, visiting places he remembered from his childhood, including Antioch, Aunt Annie's farm, Aunt Albie's farm, where she lived with Uncle Tom (Morris), Uncle Will Morris's farm, etc.

I would love to talk to you! Is there a time that's good for you?

Pam

And another message:

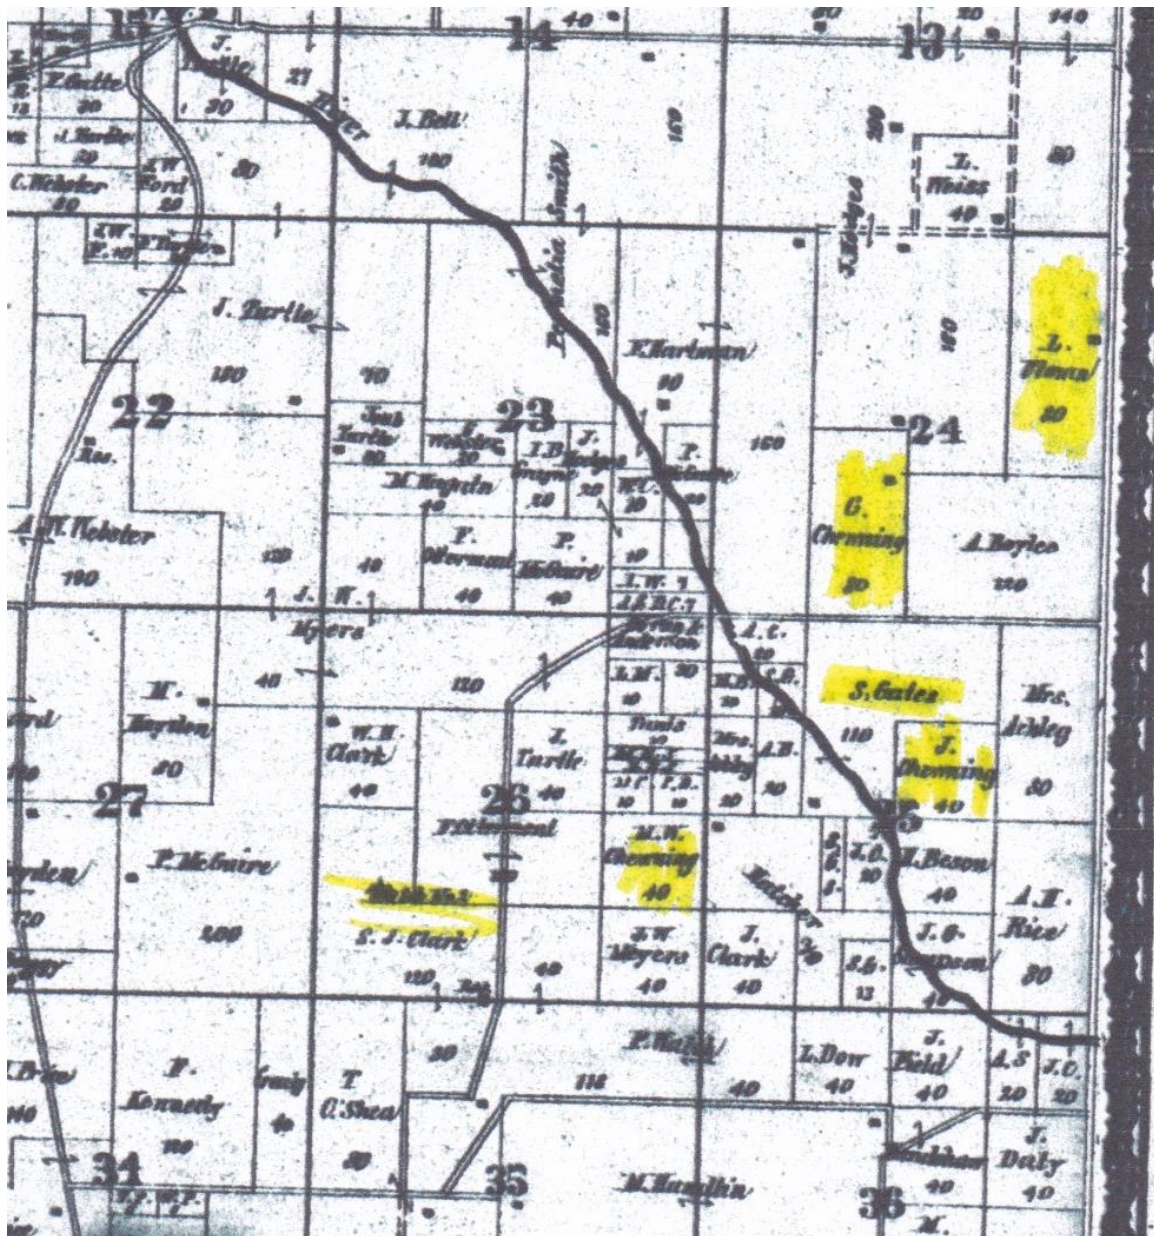

*PAM: I FORGOT WHERE YOU TOLD ME THAT YOU LIVE, WE HAVE TO GET TOGATHER, IF YO ARE NOT TO FAR< I WOULD LIKE TO TAKE YOU ON A TOUR OF THE CHEWNING & WEBSTER COUNTRY WHERE I GREW UP AND LATER FARMED FOR 13 YEARS. Chewing and Webster reunion, Jim Webster's farm, early 1920s, Union Twp., Clark County, MO. Early Chewing in front on ground. He was the son of George Hanvey and Clarinda Wilson Chewing. I believe the boys behind Early, one in overalls, one in a sweater, the other standing, are Websters, probably Anna Lee Chewing Webster's sons.

The handwriting is mine.

Union Twp., Clark County, MO, 1878 plat map. Chearning land - remember Elizabeth Ann Lizzie Cannon was living in James Madison Chearning's property in 1870, very close to future husband Moses W Chearning, also Theodore childhood home. Probably all of Moses' and Lizzie's children were born there.

G. Chearning was Granville Washington Chearning

L. Ulman was Louis and Henrietta Chearning Ulman, Moses' sister.

J. Chearning was James Madison Chearning, Moses' brother.

Sarah Gates land was originally Granville Washington Chearning's, sold by his heirs in 1876.

School House #2, on the Clark property, was where Theodore and his siblings attended school.

Moses died in 1888; Lizzie in 1900

Moses died in 1888. Lizzie Cannon Chewning died in May 1900. Keith Owen (grandson of Ann Lee Chewning Webster Felker) told me that Lizzie and her children moved to the 40 acre parcel in Sec. 26 where Vard and Annie later raised their family, after Moses died in 1888. She died a couple of weeks prior to the census in 1900, so I don't have that record to show who her neighbors were, unfortunately. Lizzie and Moses owned several different pieces of land, some in Sec. 25, in the NW ¼, and some in Sec. 26, the NE ¼ of the SE ¼. Dad and I believe that Lizzie and Moses probably were living on the parcel in Sec. 26, and that they probably raised their family there. Dad also thinks that the farm in Sec. 26 is where he visited his Aunt Annie and Uncle Vardaman Webster in the 1930s, which would make sense, given that Lizzie's heirs sold that piece to their sister Annie in 1903.

I have various plat maps that show where her property was in 1896, 1915, and 1930. (Also older maps showing where M.W. Chewning's property was prior to his death.)

Lizzie listed her heirs as follows:

Theodore Chewning (married), who resides in the county of Clark, in the State of MO, Ann Lee Webster, who resides in the county of Clark, in the State of Missouri, Ernest Chewning (single), who resides in the County of Clark, in the State of Missouri, Spencer Chewning, minor, who resides in the County of Clark, in the State of Missouri, Effie Maud Chewning, minor, who resides in the county of Clark, in the State of Missouri.

Lizzie's heirs sell her land in 1903

Land in Sec. 25, the E ½ of the NW ¼

In February of 1903, four of Lizzie's heirs and their spouses entered into a General Warranty Deed with two Kirchner men, selling 104, 'more or less,' for \$1510. On the plat map from 1985, some of this land is still owned by Kirchners. **There may have been a problem with this record; try book 69, page 533.**

Another General Warranty Deed, dated also February 9, 1903, between the same heirs and their spouses sold to George H. Chewning (their uncle), for \$1, the following land:

All of twenty acres more or less – all that part of the west three fourths of the north west fourth of the North west quarter of Section Twenty five (25) Township 64 Range 8 west, lying north of 10 acres more or less owned by Bergman heirs off the South end of said 30 acre tract.

The land hereby conveyed being a tract 60 rods East and West and 54 rods North and South out of the North West corner of said Section 25 grantors convey as all of their heirs of M.W. Chewning and Lizzie Chewning both deceased.

Note: 'the Bergman heirs,' were probably family of Caroline Bergman Chewning Gipson, Stephen Chewning's widow.

Theodore, Spencer, Effie and Ernest all inherited part of Lizzie's land in Sec. 25. Lizzie's other daughter, Anna Lee Chewing Webster, inherited other pieces of land. I don't have a copy of the deed, and I can't remember the exact property description, but this is the farm in Sec. 26.

Former property of Vardaman W. and Anna Lee Chewning Webster, Sec. 26, Union Twp., Clark County, MO. Picture taken 8/2012. This farm was formerly owned by Moses William and Elizabeth Ann Lizzie Cannon Chewning, and where she raised their family after Moses died in 1888. We also believe Lizzie and quite possibly Moses probably died in this house, or on this property (don't know how old the house is). Dad used to visit Aunt Annie and Uncle Vard here as a child, and recognized the drive to the house when we took a genealogy trip through Clark County in 8/2012.

Keith Owen, Annie's grandson, shared this photo with this comment: *Anna Lee Chewning Webster home before they painted it.*

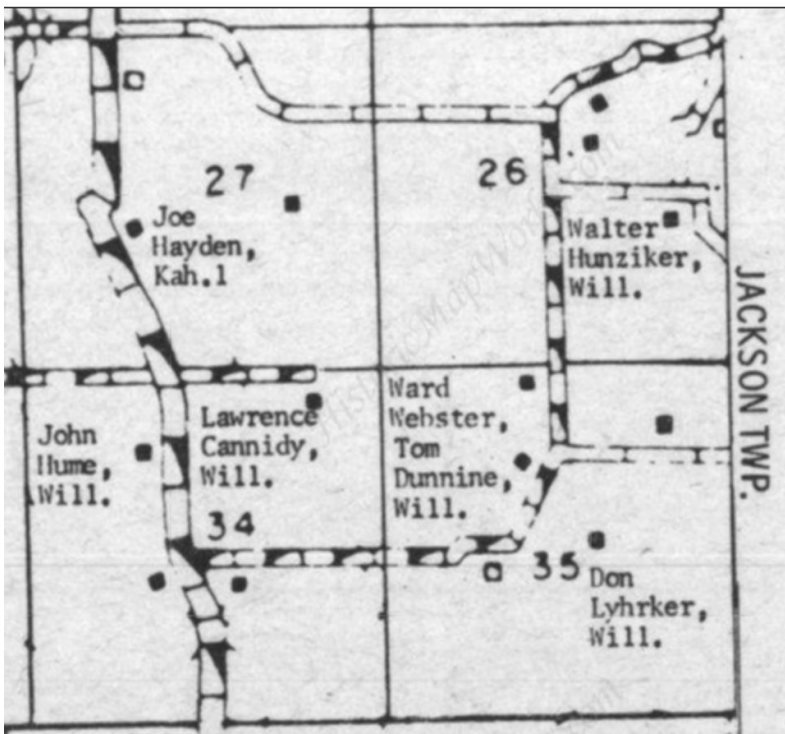

He also said that the woman, far right, was Ardyth Louise Webster Owen, Annie's daughter, and his mother.

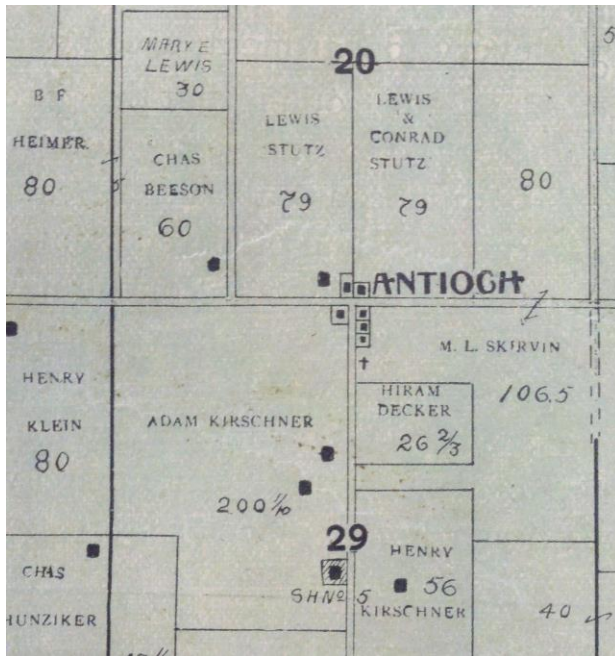

1896 plat map, Union Twp., Clark County, MO

Shows land owned by Elizabeth Ann Lizzie Cannon Chewing, willed to her at her husband's death in 1888. The land in Sec. 26 is later willed/sold to Anna Lee Chewing Webster, Lizzie's daughter, in 1903. That is, Anna received some of the property from her mother's will, and in 1903 her siblings sold her their portions of that property so that she and Uncle Vard would have an intact farm. I have been told by Keith Owen, grandson of Anna Lee Chewing Webster, that Lizzie raised their family on the land in Sec. 26. Anna's family was also born and raised on this property, and they attended the school shown as Clark SH No. 2 on this map, west of E. Chewing land.

Antioch, Clark County, MO, 1896 plat map shows cemetery where Moses William and Elizabeth Ann Lizzie Cannon Chewing are buried. Also probably their infant children, per Keith Owen's comments.

Spencer, then Theodore, move to Monmouth, Warren, IL

Theodore and his family moved to Monmouth, Warren, IL, in 1919. Spencer moved to Illinois prior to that time; he was in the Monmouth directory in 1905. He married Mary Toops in Monmouth in 1906. Annie, Ernest and Effie married and remained in Missouri. Initially, I found Monmouth, Illinois, directories for the 1940's and 1950's. July 2012 I found a directory for 1905. There are entries for:

Felker is written on Anna's stone, because, according to her grandson, Keith Owen, Anna remarried during the last few years of her life to Hubert Felker, a neighbor. At her death, Hubert insisted that his name be included on her stone, in spite of the disapproval of her children.

1915 Map of Union Twp, shows Vard Webster property; it is the same property shown on 1896 as E. Chewning; therefore, I believe that Anna is living in her mother's home and on her property. This same map shows a piece in Sec. 25 as Thos. Morris; meaning that Frances Harriet Moseley Morris is living across the fields from them. A. M. Davidson, wife and sons and Florence Chewning spent Sunday at the home of her sister, Mrs. Vard Webster, near Antioch. Mrs. Chewning accompanied them to the home of her mother, Mrs. Morris, who seems very feeble. The whole car load came very near being run into by a fast mail train at Hays crossing. They were watching a freight coming from the west and failed to see the one from the east until in a few feet of track.

Letter from Ernest's daughter, Mamie, to her Aunt Annie and Uncle Vard

Butler, Missouri
Route 4

July 3, 1957.

Dear Aunt Anna, and Uncle Yard,

I know you have been wondering why I haven't written to thank you for the lovely slip and handkerchief you sent me for graduation! Please excuse my delay — the days are all so full. Thank you so very much — it was very nice of you!

We moved from El Dorado Springs to Butler May 25. We live on Mother's farm about seven miles from Butler. It has been a new experience for us, for Ruby, Paul, and I have never lived on a farm. We like it real well, however, and we all seem to be gaining in weight. He intended to move to Harrisonville, but there were no vacant houses to be found; so the next best thing was to move to the farm.

The weather here is so dry — we wish it would rain soon. The corn crop would be a fine one if it only had moisture right away.

Aunt Lillie and Uncle Lyle (Mother's sister and her husband, you know) have been visiting with us for the past week. They left this morning, returning to their home in Des Moines, Iowa. He had such a nice visit together.

Tell Aunt Effie and all "hello" for me. Mother sends her love and best wishes to all.

Lovingly,
Mamie

He would like so much to see all of you! Come see us!

Thank you again for the lovely graduation gift! I appreciated it very much.

Don't you write us? He would love to hear from you often!

This letter from Pearl Idella Stinson Chewning, Anna's sister-in-law, was written a week after Vard's death, offering condolences.

Aug. 15, 1940.

Dear Annand family,

I suppose your daughter, Mrs. Owen has told you that I wrote her.

I was sorry to hear that your companion of the years has left you but I know you realize that it is your loss and his gain, a vacant place which can never be filled in this world, but on the other hand his troubles are over and he is peaceful, blessed peace.

Pansy has a little boy & Ruby has a new baby girl.

and He will sustain you. That a comfort it is to know that when ~~we~~ we meet Ward and Ernest again there will be no more parting and no more sorrow.

May God's richest blessings abide with yound comfort you during the coming days. I hope we may keep in touch with each other. The way the war is raging in Europe we do not know what the future will bring. May our faith grow stronger and try to live closer to Him each daynd pray earnestly for this terrible war to cease. I hope you keep well and I would love to hear from you.

My love to you! Pearl C.

Dear Sisternd family,

I enjoyed your letter so muchnd I hope we keep in touch with each other. I received your letter a few days after we moved here Sept. 24th.

Paul came from California the first of Oct. so hend Mamie's husband work in Kansas Citynd it is so much cheaper going from here^{to city} than where we did live in Liberty. I am late getting my Christmas cards mailed but I was thinking of yound your family so I am mailing this.

This Season of the year is sad for

all of us but we must try to carry on until our time comes to go.

I do hope Pansy is getting along all right now and that all of you will be together Christmas Day. She are all aiming to be together during Holidays but not on Christmas Day. I wish we could visit you folks too bad we are so far apart. How nice if you are could come to see us.

I want to send Effie and family a card so she will know we have been thinking of them at this Season. Mamie's Baby Maria is six weeks oldnd so cute. Grandmother doesn't aim to spoil her.

Let us put our trust in Him who knows all thingsnd is able to help us. Write when you can. We send greetings to all your childrennd yourself too.

With love, Pearl Chewnick.

Dear Sister & Family

It has been so long since I
received your last letter that
I do not know how to answer it

All Annie and I are still

I havent been able to man-
the Shop for 6 or 8 months. The Boys
are all working in Galesburg
therefore the Shop has been closed
for some time. I dont know
of any one thing that is the matter
with me unless it is old age
I just havent got the strength to
stand it anymore

God knows. I would like to be
at work but I just cant take it and
the Doctors dont seem to do me
any good. Anom is getting
pretty feeble ~~and~~ also put at that
I think she is better off than I am

2.
if I could just collect
what I have standing out
I would be O.K. for a while at
least. I have in round numbers
5,000.00 standing out some of which
is well secured and some is not
And Annie I wish you would
speak to Gerald about a little
loan I made to him in ^{ap.} 1954
I loaned him \$15.00 to get ticket to
get back to Kakaka on. then later
he borrowed \$5.00 more and gave
me a check on the bank of Memphis
and it bounced. Back. Borrowed no
account. So that makes a total of ~~\$20.00~~
\$20.00 tell Gerald. I need that money
now just as bad as he did
when I let him have it.
Well Annie how is Effie paw
Kid. She has it hard I must
write her a letter as soon as
feel like it. And how is all
the boys. I hope they are all well
and doing fine

Conclusion

How are you standing it this
Winter Annie do you still live
alone. I hope you do not people
our age has no business living
alone. I fell about 6 weeks ago
and cracked 2 ribs and I took
the flu about the same time
I was down about a month
but I am somewhat better now
but I am weak in my legs
and can't get around to do no good
Well Annie I am getting
tired and have got to go lay
down a while. I hope I will
feel like writing more next time

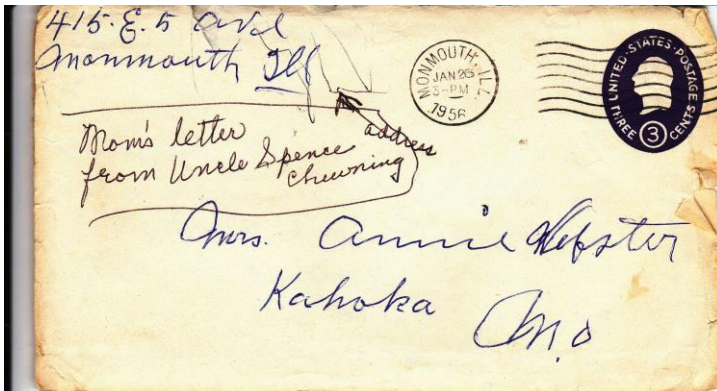

hoping to hear from you
Soon

SNYDER-WEBSTER

At the beautiful and commodious home of Mr. and Mrs. Vard Webster, on Sunday evening, March 27, at 6:00 o'clock, occurred the marriage of their daughter Pansy to Mr. Albert M. Snider, Rev. Cooney of Kahoka, officiating.

These young people come from two of our well known families in Clark county. They have grown up in our midst, are well known and are highly respected.

The young man was one of Uncle Sam's sons during the late war and was true to his country's call. The bride is one of Clark county's teachers. She is possessed of beauty, talent and those various graces that go to make true womanhood.

This bride and groom are too busy to spend time on a honeymoon trip. He will continue his farming and she will finish her term of school after which they will go to housekeeping about four miles north of Luray where the groom has rented a farm. Here about May 1 they will be at home to their many friends who join in wishing them a long and happy and prosperous journey through life. W. M. C.

Pansy Ever Webster Snider, death cert

I think it's possible that Pansy's husband, Albert, remarried and divorced after her death. I found a MO death index for a woman, Margaret Alice Snider, b. 3/27/1907, d. 11/8/1951, divorced. Died in Kahoka. Her last husband's name was Albert Snider, and I didn't find any census records for her married to another Albert Snider in 1930 or 1940.

Marilee was on the **1940 census** with her parents.

Marilee Lipper, age 85, of Kahoka, MO, passed away on Friday, August 24, 2018 in St. John's Hospital in Springfield, IL.

Marilee was born March 21, 1933 in Kahoka, a daughter of Albert Michael and Pansy Webster Snider.

She was married to Hillis F. Lipper on November 11, 1951 at Luray. He preceded her in death on May 25, 2007.

Survivors include her children: Patricia (Jack) Self of Oklahoma City, OK, Pamela Lipper of Albuquerque, NM, Nancy Pierron of Greensboro, NC, Susan Lipper of Greensboro, NC, and Michael (Meg) Lipper of Kennesaw, GA; five grandchildren: Paul Carter (Ann) Pierron of Raleigh, NC, Michael Thomas Pierron of Hilo, HI, Elizabeth Pierron of Hilo, HI, and Klein Lipper and Addison Lipper, both of Kennesaw, GA; one brother, James Snider of Spokane Valley, WA; a step-sister, Oneida Bourgeois of Kahoka, MO; and a sister-in-law, Rovene Lipper of Luray, MO; as well as nieces and nephews, cousins, and other relatives.

She was preceded in death by her parents; her step-mother; her husband; a sister, Betty Harris and her husband, Cecil; sister-in-law, Barbara Snider; and step-sister and step brothers-in-law: Mary Lynn and Jerry Lillard and Wayne Bourgeois.

Marilee was gifted with many talents that she used every day of her life. She was raised when you didn't throw away and you made do with what you had. She was very resourceful in that way and carried it on to her children and those around her. She truly lived the saying "waste not, want not". She was the Queen of Reuse and Recycle. Her special love was growing and arranging flowers and bird watching. In her years as a florist she would use greenery and flowers growing in her yard and along the highways to create beautiful, original designs. She loved watching the birds and was so excited that she had just spotted for the first time in her life a hummingbird nest that she proudly displayed in her apartment.

At one time she provided child care in her home and for the next two and a half decades raised the Wilson children and worked in the funeral home with their parents. She enjoyed working with the flowers and conversations with the many people that came through the door.

She was a member of the Luray United Methodist Church and the Perennial Garden Club. She volunteered and worked hard in both. She was an avid reader and kept up with the news, always learning more. There wasn't very much that she couldn't do. While residing at the RCF in the Clark Co. Nursing Home the past few years she would often be seen sitting at her sewing machine while repairing clothing belonging to the residents, workers and sometimes others. It was a part of her ministry to help others and not have idle hands.

Marilee loved her family and they returned that love to her even though they were miles apart. She had a wonderful appreciation for her extended family and many friends.

He married Ida Mae Shannan, who I believe was married before to someone named Wagner. The boy, Wayne, was George Wayne Wagner, and he was born before 1936, the year in which Ernest married Ida.

In 1936 Ida's brother, Herman, had a friend he wanted his sister to meet. About 6 weeks after the couple met, they were married. Ida May (Shannan) Wagner married Russell Ernest Webster on March 8, 1936. Russell and Ida had four children. Ida May recalls;

"We moved to a farm Russell owned and lived there for 55 years. We had a little boy born about three years after we were married. His Dad named him Stanley Joe. Three more years another little boy Russell Lee. He was named Lee for my aunt Fannie's husband Lee Stafford. Three more years then a little girl was born. Wayne named her Geraldine for Gerald, Russell's brother. She was born on Gerald's birthday. Then in nineteen months another little girl. Russell named her Ardyth for his sister and I added Louise for one of my brother Elman's wife. The Children all grew up with lots of work, drove tractors, milked cows, etc. The girls had a horse to ride. They went to school at Mt Tabor and the Wyaconda High School. In later years Russell and I went to Florida in the winter, but always home in summer. Missouri is our HOME!"

Misc: Russell was a quiet person. He had bad eyesight all his life. When he was a teenager he went hunting had an accident and shot three toes off his right foot. A neighbor boy heard him screaming for help, got him on a horse and got him home.

Russell did a lot of blacksmithing. He developed large muscles. His arms were the same size in the forearm as the upper arm (17 inches).

In later years he and some other boys went and found jobs with the railroad at Galesburg, Illinois. With that money he went to St. Louis and got his eyes operated on.

He married Hazel Hinds in the depression days, they divorced with no children. Then he lived alone on a farm near Granger, Missouri. He milked lots of cows, sold the cream, bought more cows. He had a sale and bought land. He run a catapillar and dug ponds after the drouth of 1936.

After he married Ida May and as the children grew up he served on the school board at Mt. Tabor School, Clark County, Missouri where the children attended. Also he was road supervisor. When the road going past his farm was paved, it was and still is designated State Route W after him.

He loved to travel. He had been in every state in the continental United States. For 31 years he went to Florida to spend the winter, then back to Missouri each April.

Super Market Since 1871

Eight miles south of KAHOKA the village of Antioch is one of the "Super Markets" remaining in the county. The rural or community store has been serving the area since 1871 when it was opened by Isaac Immerhorn, south of the present school. Between 1889 and 1905 there were two stores, most of which time one was operated by Billy Elwell and one by Billy L. A few years of 1889 to 1893 the store was operated by Elwell and Kirvin. Elwell bought Kirvin's interest in 1893 and operated in the Kirvin building which is now the Hugh Cameron Locker store. In 1905 he bought and moved into the present building and operated until 1945 when it was sold to the present owners, Mr. and Mrs. Wilbur Owen. Mr. Elwell operated the store during the years with the exception of 1916 when it was leased to John Henry Baum. For a time those years, Mr. Elwell operated a store in KAHOKA.

During Mr. Elwell's business career it carried the slogan "We Never Sleep," for the Antioch Store which was lived faithfully, too, as the store was always ready to purchase anything that was raised on the farm and ready to furnish its patrons with the family needs of a safety pin to a barrel of cylinder oil.

The little "Super Market" continues to carry a large assortment of wares in its small storage space. For instance, a complete stock of groceries, not only canned goods, flour, etc., but fresh fruits, and bakery goods received daily from Quincy and Hannibal bakeries, school supplies for the students of the near by rural schools, writing paper and envelopes, pencils, pens, buttons of all kinds, threads, needles, pins, crochet threads, socks, handkerchiefs, men's and boys shirts and overalls, jackets, underwear, shoes and rubber footwear, flashlights, batteries, and for the home that remains without electricity and still relies on the kerosene lamp.

THE KAHOKA (MO.) GAZETTE

lamp chimneys. If you need a No. 2 chimney, you can find them at the Antioch store. Shoe laces for every shoe made, knives of all kinds, jars, crocks, wash tubs, coal hods, buckets for all general purposes, scoop shovels, first aid supplies, gloves, paint brushes, skillets, cylinder oils by the pint or by the barrel, kerosene, gasoline, a small assortment of wrenches, bolts, nuts and screws are also in stock. Listed are just a few of the hundreds of items the rural store has stocked and continues to serve many families in its area. For the children and others there is a candy case, ice cream cabinet and soft drinks.

The store is not only in the selling field, they buy farm produce as well. Five days each week the truck operates over five routes, buying poultry, eggs, fur, wool and rabbits. In making these rounds supplies from the store are delivered to the farm home when ordered in advance. At the store last Friday Mr. Owen was loading 120 cases of fresh eggs gathered from farms in the area that he was getting ready to deliver to market. While on the road Mrs. Owen takes care of the retail trade. Walter Thomson has been employed to assist in the operating of the store and route. He is replacing Milton Kirchner who purchased an IGA store at Wayland recently.

Better highways and the automobile have eliminated many of the country stores in the county but there still remain a few of these stores that are over 50 years old and a number of service stations between the mile posts have a stock of groceries.

Other than retailing and buying, the Antioch store serves as branch for the Sever Library where books are left and picked up regularly and neighbors often leave mail to be picked up by the rural route carrier who passes the store daily.

With the trend of shoppers going to bigger markets several stores have closed but those remaining continue to serve their patrons and serve them well. For the pivotal points they occupy in their community many of these

OWEN-WEBSTER

A very pretty wedding was solemnized Sunday afternoon at 4 o'clock in the home of Mr and Mrs. Vard Webster in the presence of the immediate families when their daughter, Ardyth became the bride of Mr. Wilbur Owens. The Rev. Clay of LaGrange officiated

The home was beautiful in flowers in blue and white. The couple took their vows before an improvised altar of white daisies and blue ageratum

To the strains of Mendelssohn's wedding march played by the bride's niece, Miss Betty Lou Snider, the bride was escorted to the altar by her husband and they were attended by the bride's nieces, Misses Hazel Jean and Erma Lee Mayfield. Little Dickey Dean Mayfield bore the ring on a blue satin pillow. Marilee Snider, little niece of the bride and Martha May Pierce, niece of the groom were flower girls.

The bride was lovely in her wedding gown of blue net over pale blue satin, made with tight bodice, and falling in long folds from the knees to the floor. Her bouquet was of Talisman roses and blue ageratum

of Talisman roses and blue ageratum. The bridesmaids were gowned in soft pastels, Miss Hazel Jean in white taffeta and Miss Erma Lee in peach taffeta. The little flower girls were dressed in pastel pink taffeta. The dresses made with tiers of ruffles to the yokes and trimmed with ribbon.

Mrs. Owen is the youngest daughter of Mr and Mrs. Vard Webster. She graduated from the Kahoka high school in 1934. She is a charming girl of many attainments and has the highest regard and best wishes of all.

Mr. Owens is the only son of Mrs. Lillie Owens. He graduated from the Williamstown high school in 1928. He is now engaged in farming. He is very industrious and reliable young man and very worthy of the bright young woman he has claimed as his life companion.

A delicious two course dinner was served immediately following the ceremony.

Mr. and Mrs. Owens will be at home to their friends on their farm in the Ballard community.

KEITH OWEN

Keith Owen, age 77, of LaBelle, MO, died unexpectedly on Saturday, January 2, 2016 in the emergency room of Blessing Hospital in Quincy, IL.

Keith was born May 14, 1938 in Antioch, MO, a son of Wilbur C. and Ardyth Webster Owen.

Keith graduated from Kahoka High School in 1956. He served in the U.S. Marines and graduated from the National Meat Cutting School of Toledo. It was in Toledo that he found his beloved wife, Vel. He was united in marriage to Velia Castro on October 15, 1960 in Toledo.

While in Toledo, Keith was a Golden Glove Heavy Weight with the Toledo Police Athletic League. He and Vel moved to Moline where he was a meat cutter for Kroeger and a member of the Meat Cutter's Union in Illinois. They raised their children there until 1980 when they moved to Missouri where they were owners and operators of LaBelle Foods, Inc. in LaBelle. for the next 30 years, retiring in 2010.

Survivors include his wife, Vel, of LaBelle, MO; three children, Marina (Cary) Young of Rock Island, IL, Mark Owen of LaBelle, MO and Maurice (Stacey) Owen of Owensboro, KY; nine grandchildren: Cory Young of Owensboro, KY, Alisha Young of Kansas City, MO, Dan (Gretchen) Owen of Bettendorf, IA, Mitchell Owen of Lewistown, MO, Erica Owen and Drew Owen, both of Owensboro, KY, Brandon Elder of St. Petersburg, FL, Kaitlyn Elder of Hayden, AL and Nolan Elder of Owensboro, KY; two great grandchildren, Reid and Charlotte Owen, of Bettendorf, IA; one sister, Sandra (Duane) Ebeling of Wyaconda, MO; several nieces and nephews including Kayla (Bruce) Parsons and their son, Russ, of Arbela, MO; brothers-in-law and sisters-in-law: Linda (Frank) Segura of Whittier, CA, Diane (Pete) Regaldo of Toledo, OH, and Abel Lopez of Whittier, CA; as well as nieces, nephews, cousins, and other relatives.

He was preceded in death by his parents and in-laws.

Keith was baptized and raised in the Baptist faith. His roots and family were very important to him and he became keeper of and passionate about the Owen genealogy.

Keith had many interests. He loved to hunt and fish and was an avid sportsman, enjoying watching games and UFC Fights on television, attending his kids activities when they were in school, and especially following his St. Louis Cardinals. He was also passionate about horse racing. He raised and bred thoroughbred race horses with a trainer's license in IL, KY, OH, IA, and KS. In addition, he had an owner's license in those states as well as in AR and LA. Racing horses was a family tradition and they followed the circuit and along the way promoted the Clark County Fair. His family loved the fair and fair goers loved to see what the Owens' horses would do, and they were never disappointed as Keith had several Missouri Derby Winners.

Family was his true passion. He treasured his time spent with his children and grandchildren. He and Vel were able to work together, travel together, and be each other's help mate through all the areas of their lives. As his health began to fail, Vel became his rock. He and his sister, Sandra, although not close in age, were extremely close and both worked very hard to ensure that their love for extended family would be passed on through the generations as they gathered together several times during the year from near and far. His legacy continues in each and everyone of those whom he loved and cherished.

Funeral services will be held Wednesday, January 6, 2016 at 1 p.m. at Wilson Funeral Home in Kahoka with Pastor Paul Harvey officiating. Burial will follow in the Kahoka Cemetery.

Gerald's obits mention a wife, either Dorothy or Ann. I've been trying to straighten this out, but I think that he was living with, or married to, a woman named Dorothy Wyman, who had been a neighbor on Watson Ave. in Modesto, CA. Whether they legally married or not, I don't know. She may have been Dorothy M. Collins Wyman. She is in the Modesto directory as Wyman in 1960, living a few doors away from his address, but that's the last entry I found for her. Then there is a Dorothy listed with Gerald from 1961-1971, at his address. The reason I think she may be Dorothy Wyman, is b/c he was arrested in 1961 for physical violence against Dorothy Wyman.

Gerald was clearly an alcoholic. There are various articles in California where he's arrested for drunk driving, driving without a license, driving a car into homes, etc.

House Wrecker

Battered and bloody after knocking a corner off one Crater Street house and breaking open the wall of another, autoist Gerald Webster, 40, 809 Watson Avenue, is lifted by Doctor's Ambulance Service attendants and Dr. O. Roule, right, to stretcher

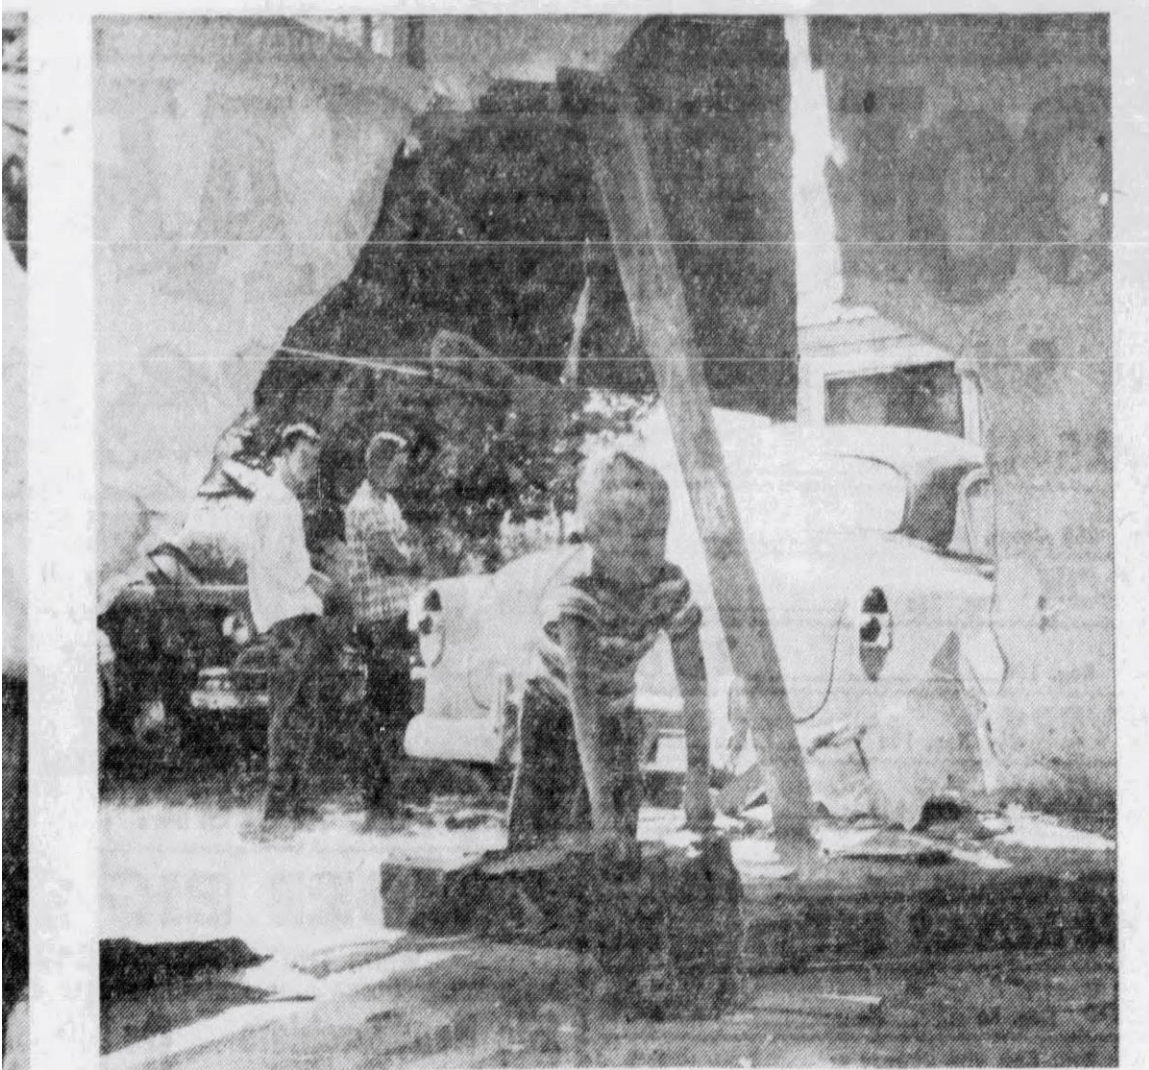

for rush to county hospital where he was pronounced in good condition today. Witnesses said his auto suddenly veered right off paving, speeded up, shot across lawn and into houses. Webster apparently suffered only cuts and bruises in the 2:15 PM accident yesterday.

Open House

This car's thunderous "knock" aroused sleeping John Grubbs' in a bedroom of his daughter's 317 Crater Street home, right. Grubbs dashed from bed to find the living room wall broken inward, furnishings thrown across the room and his

favorite chair hurled about 15 feet from the wall. "I might have been sitting there," he said. Highway patrolmen are investigating the crackup. At the scene, Webster bordered on incoherency, did not explain what caused his sudden spurt from the road. **Bee Photos**

Eight year old neighbor Ricky Wyckoff, 209 Crater, looks amazed through gap in corner of first house hit by Modestan Gerald Webster's wild running car. The 313 Crater home, unoccupied and owned by United Lumber Company, was dam-

aged heavily. Besides ripping the 8 foot by 4 foot hole in the corner, the plunging car knocked loose walling and studding before smashing against the living room wall of the Nancy Grubbs house, 317 Crater, next door.
